Evaluate only the TA (s) with whom you attended discussion section and/or office hours.

Very helpful, he took his job very seriously and would make power point presentations and ask clear any questions we had up.

I appreciated the power points and the focus on reviewing the material and connecting the readings to replace the topics.

Well done

Matt's sections were very helpful. He was a key part of helping me understand the material and know what parts of lecture to focus on. The discussion aspect of this course was a very helpful.

Please provide additional information and/or elaborate on any aspect of your evaluation. These comments are often the most valuable part of your evaluation. Every comment will be read!

Did not attend discussion as much as could have, but he would always post powerpoints on smartsite & respond any questions students had outside of lecture

Well done
