I did not have many interactions with the TA but he graded fairly and quickly, and provided helpful feedback on assignments.

everything is good.

Not a lot of people went to discussion, however I had found his discussions very helpful.

TA was helpful in understanding material and reviewing important topics and concepts.

Great guy.

He is a great human being Matthew Curtis

Great TA! Did an amazing job going over any difficult material from class. The discussions really helped me in my understanding of the subject matter. Would highly recommend!

Very useful sections. Reviews lecture material effectively and answers questions.

His teaching was quite bland and I found he was often unprepared with what to talk about. So much so, that I started going to see the other TA half way through the quarter.
